

5/10/26

Good Evening Linda Vista Families,

Thank you for everything you did to show appreciation for our teachers and staff last week. We truly have the best families at Linda Vista! We also had a wonderful turnout at Muffins with Mom on Friday. Thank you to our dads for putting together such a special event. Happy Mother's Day to all of the special women in our students' lives! We hope you are having a wonderful day. Please read the following important announcements:

Congratulations to our track team who participated in the Carnival of Champions on Saturday! Our students did great, and we are so proud of them! Also, thank you to our amazing coaches for preparing our students for their events and for cheering them on!

CAASPP State Testing begins next week for grades 3-6. Students should bring wired headphones and charged devices. Also, it is very important to eat a healthy breakfast and get a good night of sleep to ensure our students do their best!

Order your yearbook here: <https://web.treering.com/create-account/1015615697102383>

The deadline to purchase the yearbook is on Thursday, 5/14. (If you order after this date, you will have to pay for shipping and it may not arrive before school ends.)

Our Carnival is this Friday! Click on the link below to preorder your tickets. Presale tickets are available until Wednesday, May 13th.

Please continue to make daily school attendance a priority. Regular attendance is essential for maximizing academic achievement, building important social skills, and developing responsibility that supports long-term success. Thank you for your continued partnership and support in helping our students succeed!

Would you like to wish your child a happy birthday on our marquee? The cost is \$20 for the week and all proceeds will go to our PTA to help fund all of the wonderful programs they provide for our school. Please turn in the attached form to the office if you would like to see your child's name on our marquee for his or her birthday. [Birthday Marquee Form](#)

Academic support is available through the Orange County Public Library. With a library card (which is free), students can access academic support here:
