

3/10/24

Good Evening Linda Vista Families,

Thank you to everyone who came to the talent show! What an amazing evening it was! Linda Vista definitely has talent! Please read the following important announcements:

- Linda Vista was one of the highest attendance winners from the month of February! We are so proud of our students for making the effort to get to school every day. Also, thank you families for making sure your children get here every day. A student's attendance is the most important factor in student achievement, so let's keep it up! Wouldn't it be amazing to win again?**
- Would you like to wish your child a happy birthday on our marquee? The cost is \$15 and all proceeds will go to our PTA to help fund all of the wonderful programs they provide for our school. Please see Ms. Angela Cutts in the office if you would like to see your child's name on our marquee for his or her birthday.**
- We need photos for the yearbook! Please email any photographs that we could possibly include in the yearbook to lvleopardsyearbook@gmail.com.**
- We are still looking for a few more volunteers for Career Day. Career Day will be on 5/22 and will provide our students with the opportunity to learn about various professions. Please consider volunteering to speak to our students. Volunteers will give a brief presentation to our students and answer individual questions. If you are interested in speaking about your profession or**

know someone who is interested, please fill out the this form:

- Student drop off and pick up looked better last week. Thank you to everyone for your cooperation! Please continue to remember that the right curbside lane is for pick-up and drop-off only. You should not leave your car in this lane at any time. Also, pedestrians must use the crosswalks or sidewalks around school. Last, if you are waiting with younger children, please make sure to supervise them. Thank you!
- 6th Grade Families: If your child is going to camp and is on medication, please turn in all medication to the office by Thursday, March 14th, along with this form signed by the doctor.
